

Dear CIS Community:

As the year begins to come to a close, I know you are interested in finding out who will be going and who will be teaching at CIS. I was hoping to have this to you a few weeks ago, but new resignations have occurred. Due to the tight timeline we have not replaced our Elementary French as of this date. Please read below for current staffing arrangements and summary of those leaving. If you have further questions, please contact me at any time.

Yours in Education

Lynda Gigg
